EDUCATION

LAGUNA STATE POLYTECHNIC UNIVERSITY – SAN PABLO CITY CAMPUS — San Pablo City, Laguna
BS Computer Science in Intelligent Systems — Expected 2027

Thesis: AVERA: Assistive Android Application for Handwritten Signature Verification Using Siamese Neural Networks With Explainable AI

Relevant Coursework: Web Development, UI/UX Design, Human-Computer Interaction, Systems Analysis and Design

EXPERIENCE

CRYOLIPO (freelance Shopify website project) — Remote
UI/UX Designer and Frontend Developer — Sep 2026 – Present

- Designed the full interface and user flow of a client Shopify storefront in Figma
- Built responsive storefront components with Shopify Liquid
- Converted wireframes and high-fidelity mockups into reusable Shopify theme sections
- Planned site structure and visual hierarchy with a development partner

AVERA CAPSTONE PROJECT — LSPU San Pablo City Campus
UI/UX Designer and Frontend Developer — Apr 2026 – Present

- Designed admin and analyst flows, case list review states, filter sheets, and statistics screens in Figma
- Built the React Native mobile interface, including navigation, card layouts, and bottom sheets

COLLABORATIVE SOFTWARE PROJECTS — LSPU San Pablo City Campus
UI/UX Designer and Frontend Contributor — Jan 2021 – May 2025

- Designed and built interfaces for Statera, WorkHive, and the ResQLine admin platform
- Created dashboards, forms, navigation systems, and responsive screens in Figma
- Implemented designs with HTML, CSS, JavaScript, and React through GitHub workflows

COMPETITIONS

DESIGN COMPETITION, SIKAPtala 2026: THE NATIONAL CS & IT COMPETITION — Dasmariñas, Cavite
Hosted by CICS Student Government, De La Salle University Dasmariñas — May 2026

- Placed 5th nationally among 106 participating schools
- Designed web interfaces for the theme Innovation Through Accessibility

BATANG TECHNO HACKATHON, TEAM ALGORIZZMS — Batangas City, Batangas
Hosted by CICS Student Council, Batangas State University Alangilan — Apr 2026

- Reached Top 12 Finalists out of 48+ universities in a first hackathon
- Built ResQLine as Web Developer and UI/UX Designer: AI disaster classifier and live dispatcher map
- Prepared the pitch deck and documentation with the team leader

LEADERSHIP & ACTIVITIES

SOFTWARE DEVELOPMENT & APPLICATIONS COMMITTEE — San Pablo City, Laguna
Design Team Leader — Aug 2024 – May 2026

- Led the design team and coordinated visual content production
- Assigned design tasks and produced posters and social media content in Figma and Canva

LAGUNA STATE POLYTECHNIC UNIVERSITY — San Pablo City, Laguna
Guest Speaker, Figma Workshops (Figma-nificent – One Frame at a Time; Front-First Back-Later) — Sep 2026, Apr 2025

- Taught interface design, layout principles, and prototyping to college students

Class President — Aug 2024 – May 2025
